About NAMI Northern Virginia

NAMI is the National Alliance on Mental Illness, the nation's largest grassroots mental health organization. "NAMI Northern Virginia" is Northern Virginia's local NAMI affiliate. Annually, we provide help, hope and education to more than 9,000 people living and working in the counties of Arlington, Fairfax and Loudoun and the cities of Alexandria, Fairfax and Falls Church. Our programs are made possible through the generous support of our local community.

NAMI Northern Virginia and its more than 150 dedicated volunteers work together to raise awareness and provide essential education, advocacy, and support programs for people living with a mental health condition, family members, students, educators, law enforcement, and the public.

Through our NAMI Ending the Silence program, students learn that it's ok to talk about mental health and how to get help. Adults living with a mental health condition find support for their recovery through training and leadership opportunities. Family members discover a network of support and learned about available community resources. To learn more about NAMI Northern Virginia, visit www.NAMI-NorthernVirginia.org
